

RIA ROBIN

STUDENT

ABOUT ME

Dedicated and enthusiastic Computer Science student specializing in Data Science. Possess strong knowledge in Python, C++, Java, and data analysis tools. Skilled in data visualization, problem-solving, and effective communication. Actively participated in certified workshops and training programs to enhance technical expertise and practical experience.

EDUCATION

Bsc computer science with data science Honours
2024-2027
Yuvakshetra Institute of management studies
Plus two
Bharathamatha hss palakkad 2023

TECHNICAL SKILLS

Programming languages (Python, Java, C++,R) 

Software proficiency (Excel, Tableau, Power BI,) 

Tools/Platforms (Git, , VS Code, MATLAB) 

Data analysis & visualization 

Web development(HTML, CSS,JavaScript) 

Machine Learning & AI tools 

SQL/Database management 

Communication skills 

Time management 

problem solving 

leadership

creativity

EXPERIENCE

INTERNSHIP ON MERN STACK

- I have completed one month (60 hour) internship on mern stack development from May 22nd to May 26th from ICT Academy of Kerala kozhikode
- Internship project (ongoing) :Job portal Career sphere -Developing an online job portal with job listing,filtering by categories.Designed a responsive user interface and implemented features such as registering and login as both seeker and employer,job searching,applying,posting job and user authentication using technologies like react,javascript,html,css etc.

ACHIEVEMENTS AND CERTIFICATIONS

SWAYAM ONLINE COURSE CERTIFICATION FOR

- Art of c programming,
- Data mining
- Data structures using C

SPOKEN TUTORIAL IIT BOMBAY

- R,
- LibreOffice Suite Base
- Python
- Ruby
- Blender test
- Gimp

IBM SKILLSBUILD /COURSERA

- Introduction to AI
- Introduction to software engineering(IBM)-COURSERA
- Foundations of Ux design-Google
- Foundations:Data ,everywhere- Google
- Python for data science ,ai and development
- Software developer career guide and interview preparation

ONE DAY WORKSHOP

- Cloud computing (Asap-Edunet 26 july 2025)
- Artificial Intelligence and machine learning (Asap-Edunet 31 Aug 2024)
- Introduction to Python programming for data science (31st May 2025)-360digiTMG
- Data visulalization with power bi (26 April 2025)-360digiTMG
- Cyber security awareness workshop certificate by amrita vishwavidhyapeetham (27 aug 2024)
- Certificate of industry visit to ICT Academy of Kerala kozhikode on Oct 11 2025
